

## UNIFORM

Dear Parents

The school uniform is an integral part of your child's schooling. A neat, smart uniform not only adds to your child's persona, but also gives him/her a unique identity and instills in him/her a sense of pride for the institution. We expect all parents to co-operate with us in our endeavour to inculcate respect and dignity for the school uniform.

Please check the way your child is dressed before leaving for school each morning so you can help him/her to be responsible for following the school rules. Encouraging your ward to get his/her clothes ready in the evening, polishing shoes, putting belt through the loops can help him/her to be well groomed for the school.
